Casual Community Service, Crafters, Musicians, Puppy Sewing Program

- Are you interested in a more casual volunteer program?
- Are you a musician interested in playing music in our lobby area?
- Are you interested in being a part of our “puppy sewing” program. Puppy sewers are provided a standard pattern for making the puppies. Stuffed puppies have a long history at Mercy and can be found in many of our departments.
- Are you an individual interested in making knitted or crocheted baby caps or baby booties, or lap blankets for our patients?
- Do you have other ideas for short term or one time projects you can do to support our patients and families?

If casual community service sounds like something you’d like to be a part of, please complete the online application and we will call you to discuss further.

Thank you.
